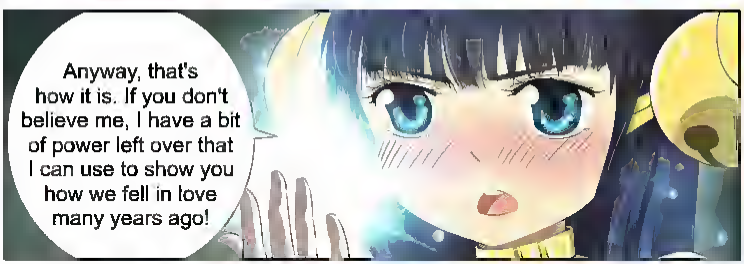
Ning Cai Cheng! You finally came!
Eeeh? Ning Cai Cheng?! Who are you? And why did you suddenly appear in the boys' restroom in an abandoned school building?
Seems like you don't remember me... I am Nie Xiao Qian, and this is a temple site.
Is this straight out of a horror story? You can't blame me for there being a boys' bathroom at a temple site!
That's the headmaster's fault, it's not on me...

Of course not, I sought you out for something important!
Something important?
Continuing from where we left off thousand years ago...
I want us to be lovers...
Haa?!
You've gotta be kidding! Clearly you've got the wrong person! And I obviously can't be with a ghost— not to mention a loli one at that?!

Hmph! I didn't want to fall in love with you either! But... we were both lovers in our past lives, so you better take responsibility and help me recover my essence!
What kind of reasoning is that?!



Anyway, that's how it is. If you don't believe me, I have a bit of power left over that I can use to show you how we fell in love many years ago!

Ning Cai Cheng, please go out with me!
I refuse.
Little girl, you should be heading home now.
You think that's what falling in love is?
That doesn't even happen in manga, you just got rejected!

Don't leave! Ning Cai Cheng!
When I showed you that, my essence was already used up, I can't wait for someone else to come around, so with things like this, I'll have to...
I'll have to wait another thousand years!!

That's your problem, it has nothing to do with me, I'm going!
Don't go!
Ning Cai Cheng!!
Tch, her predicament has nothing to do with me she's just some spirit
In any case, she's already dead...

Chen Gege, I'm dying
Today, they will bury me in my grave.
Goodbye...

Seriously...
Gets on my nerves!
